About NEWTON University

NEWTON University is a private university specializing in modern education in management, marketing, economics, and psychology. It offers bachelor's and master's degree programs, as well as postgraduate studies, including MBA, LLM, and MSc programs. NEWTON University operates three campuses located in Brno, Prague, and Bratislava.

About the programme

The BIP consists of two parts:

- Erasmus Mobility Part – workshops and panel discussions covering the complete cycle of mobility management (selection process, pre-departure steps, inclusion, digitalisation, reporting, and project closure).
- Work-life Balance Part (optional) – morning yoga, meditation and relaxation activities, complemented by informal networking during a guided tour of Brno, a visit to the Christmas markets, and a special St. Nicholas surprise.

Important information

The program will be delivered as a Blended Intensive Programme (BIP).

Participants are asked to contribute 60 EUR towards the social program and daily lunches.

Accommodation is not included, but we are happy to assist you in finding suitable lodging near NEWTON University.

Why you should join us

This programme is designed especially for Erasmus coordinators from partner and non-partner universities. Our aim is to strengthen cooperation, exchange best practices in the management of KA131 mobilities, and create new connections in a friendly and festive atmosphere.

Join us in Brno to experience its magical Christmas atmosphere, share your expertise, and find inspiration for balancing professional and personal life.
